Press Release

On-Line Strategies expands Business Development and Consulting team.

Dallas, TX, August 4, 2008

On-Line Strategies, Inc. (OLS) announces the recent addition of Randy San Nicolas to the business development and consulting team.

In this position, Randy will be responsible for seeking new business in the middle market segment of issuing and acquiring with an emphasis on the OLS managed payment platform known as OLS.Host. Additionally, Randy will also provide OLS clients with strategic consulting services covering prepaid debit and other card issuing initiatives.

Randy joins OLS from Dallas based Major Payment Systems, LLC where he served as a Vice President of Operations & Business Development. In this role Randy was responsible for all aspects of prepaid debit operations including product development, bank relations and compliance.

Before joining the founding Major Payment Systems team, Randy was President and founder of Merchants Billing Services Pacific, Inc. in his home country of Guam. Merchants Billing Services was the first registered MSP/ISO outside of the continental U.S. for merchant services processing. During the company's run, the company secured processing contracts with various bank and government agency clients. "The OLS team represents the best in the business and with a solid line of technologies to share with the world, it was an easy decision join the team," says Randy.

"Randy's outstanding experience in the Prepaid and merchant services markets will strengthen our marketing and sales efforts and provide insight into the specific needs of the merchant, prepaid and ISO markets," said Terry Richards, President and CEO of On-Line Strategies, Inc.
